

REMARKS

Claims 19-21 remain pending in this application and have been allowed. Claim 19 is proposed to be amended to correct a typographical error in the Examiner's Amendment.

It is respectfully submitted that the proposed amendment does not add new matter and does not affect the allowability of the application. The need for the proposed change was only recently discovered and its entry would not place undue burden on the Patent and Trademark Office.

Favorable consideration and entry hereof are earnestly solicited.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Mark A. Williamson/
